

Explore materials for a suitable hat to keep you dry

Year 1 Design Technology

Curriculum Objectives:

- To communicate ideas and apply knowledge to own design
- To know how to use materials and structures to create a hat to keep you dry
- To select and use tools safely

Key Vocabulary

design	strong	prototype
sketch	material	joining
dry	stiff	waterproof

Intents	Pupil	Teacher
I can explore materials to construct a hat to keep me dry		
I can design and make my own purposeful, functional and appealing product		
I can communicate my ideas through talking, sketches and a prototype of my hat		
I can select from and use a range of materials and tools to make a strong and stiff product		
I can evaluate my ideas and product against my original design criteria
